GRIMSBY TOWN F

Grimsby Town Football Club

Maintenance Operative - Job Description

We don't just work for Grimsby Town Football Club — we *are* Grimsby Town Football Club. It's a remarkable story that began in 1878 and has continued uninterrupted ever since.

There is nothing bigger and nothing more powerful in uniting so many people — through purpose, passion and pride — than a football club. It's people's identity. It's their family; their heritage. It's where they belong. This is something that cannot be undone. The bond, ties and loyalty are forever. And by being here, we are part of the story.

This is no ordinary job. This is an extraordinary opportunity. We are more than staff, players, managers, coaches, analysists, physios, stewards and volunteers. We are friends, supporters, promoters, entertainers, role models and, in some cases, idols and legends. But we cannot be any of these things without each other.

None of us is bigger than all of us. Every day, we strive for better. We are a football club, but we're at the heart of something much bigger. A club formed from its community now has the power to define its community. We are today's authors of this black and white story.

This moment has been 143 years in the making. And the next chapter is in our hands. Together, we can achieve greater things. And to achieve greater things we need a great team, and this is where you come in.

B Corporation

Grimsby Town Football Club is currently working towards B Corp Certification. B Corp Certification is a designation that a business is meeting high standards of verified performance, accountability, and transparency on factors from employee benefits and charitable giving to supply chain practices and input materials. To achieve certification, a company must:

- Demonstrate high social and environmental performance by achieving a B Impact Assessment score of 80.
- Make a legal commitment by changing their corporate governance structure to be accountable to all stakeholders, not just shareholders, and achieve benefit corporation status.
- Exhibit transparency by allowing information about their performance measured against B Lab's standards to be publicly available on their B Corp profile on B Lab's website.

B Corp Certification is holistic, not exclusively focused on a single social or environmental issue. And the process to achieve and maintain certification is rigorous and requires engaging teams and departments across the whole organisation. All employees are expected to commit to the journey of achieving B Corporation Status.
